3:10	Dismissed	*1:20	<i>*Early dismissal time on Wednesdays</i>

Dismissal on Wednesdays is 1:20. Students are encouraged to use this extra time to complete community service project commitment. This is also a great opportunity for parents to complete volunteer time if your work schedule will allow. Transporting and supervising students with their community service projects is fun and rewarding. Share the job with other parents if you can only help once or twice a month. Our students and our community benefit greatly.

NOTE 1: Many electives rotate on a quarterly basis and are open to both 7th and 8th graders with the exception of Spanish. Students must sign up for Spanish and Music EVERY quarter.

NOTE 2: All students are required to take at least one quarter of PE. Seventh grade students are also required to take one quarter of leadership. Eighth grade students may choose to take leadership; however, it is not required. All students are strongly encouraged to take technology and keyboarding.
